- S0734** White (01)
- S8915** Neutral / No Finish (67)
- E2025** Neutral / No Finish (67)

Designer

Robin Levien, RDI

Standards

BS EN 13407

Special Notes

When installing the urinal with Sensorflow electronics and mains water with a DC interrupter, please refer to the installation instructions in relation to the pipework size required, which must be adhered to. See options, or the urinal cisterns section for relevant tank options. See options, or the traps, wastes & fixations section for selection of multi-bowl and pipework ranges. For sensor flush see Sensorflow 21 urinal flushing device page. The waste can be accessed from the top with an easy to use service key.

Brackets, spreader and cap, waste pack with service key and back inlet connection pack all included. (bottle trap to be purchased separately).
